

PHSU-PRI Annual Scientific Conference

ORAL PRESENTATION

Presentation Type

Live PowerPoint presentation at the conference venue.

Only one of the authors will be allowed to present the study

Length

10 minutes maximum. (8 minutes presentation and 2 minutes for Q&A Judges)

Definition

The scientific oral presentation provides a forum for in-depth discussions of the objectives, methods, results and conclusions of a specific study. Narrative and visual material such as photographs, charts, and diagrams may be used. The presenting author must be present at the specified time to answer questions from the judges.

PowerPoint Presentation

The scientific oral presentation must be made in PowerPoint (8 to 12 total slides approximately)

➤ Cover slide

The cover slide, also known as the first slide, must have (see image below as an example):

- Logo and brand of the institution you are representing
- Title
- We will add presentation number
- Name of all authors (Presenter name should be first and in **bold**)
- Institutional affiliation of the authors

➤ Graphics & Format (only for PHSU and PRI participants)

If you do not have the guidelines, please request them via email at: sbatista@psm.edu, or marsantiago@psm.edu. If you are from PHSU you must follow the *PHSU Brand Guidelines*.

Oral Presentation Submission

Send your presentation *no later than April 11, 2025.*

Submit your presentation [HERE](#).

Commercialism

Presentations must avoid commercialism, promotion, or advertisement. Presentations that are deemed to be commercial, promotional or an advertisement will be taken down.
